Midweek One-Day Rental: 4 p.m. arrival to 8 a.m. the next morning, $2,950 plus Washington sales tax.

Booking and payments

Your date is secured only after The Cattle Barn receives your signed contract and a date-hold deposit of 50% of the rental rate plus sales tax, and The Cattle Barn countersigns the contract. The deposit is refundable through January 1 of the event year, less a $500 booking fee; it becomes nonrefundable on January 2. The balance is nonrefundable and is due 120 days before your event, together with the refundable $500 damage deposit and sales tax as stated in the contract. If the balance is not paid on time, The Cattle Barn may cancel the reservation without refund and rebook the facility. Damage, additional cleaning and other additional costs are deducted from the damage deposit first; the renter is responsible for any amount exceeding it. Payments may be made by cash or check. Payments and correspondence should be directed to The Cattle Barn, 1890 Nelson Siding Road, Cle Elum, WA 98922.

Insurance

Public liability and personal property damage insurance are required at the renter’s expense, with proof due 30 days before the event. The contract requires at least $1 million in single-limit liability coverage and $2 million in general aggregate coverage, naming both St. Eligius, LLC and The Cattle Barn, LLC as additional insureds. If alcohol is served, liquor liability coverage is required. Established catering services may use their license and insurance to cover this liability as provided in the contract. Provide the alcohol permit required by the contract 30 days before the event. Caterers and other vendors must provide their insurance certificates and catering licenses as required by the contract at least 30 days before the event, identifying both entities. Failure to provide the required insurance may result in cancellation without refund under the contract.

Tents

Tents are required to be approved by the Cattle Barn management. If tents are allowed, they must be removed by 8 am the day after the event. Example: if the event is on Saturday the tent must be removed by 8 am on Sunday morning. Any extension must be approved by the Cattle Barn management.

Ranch House

The Ranch House kitchen includes a microwave, refrigerator and electric range for the wedding party’s use on the day of the event. All other kitchen use requires approval from The Cattle Barn management. Obtain approval before rearranging furnishings in The Ranch House. Upper floors and overnight stays are not available.

Camping

RV/Trailers are $30 per night with electrical hookup only. There are 10 RV/Trailer sites available. Camping tent sites and Dry RV/Trailer sites are $10 per night. The renter is responsible for all camping fees. Campers may pay their own fees using the collection box on the red storage building behind the RV camping area. Any unpaid camping fees remain the renter’s responsibility.

Patios and parking

The Cattle Barn patios are reserved for pedestrian traffic, dancing and catering operations. Vehicles are not permitted on the patios. Provide individuals to manage parking and keep emergency access clear.

Music

Outdoor music ends at 10 p.m. Indoor music may continue past that time.

Cleanup and departure

Your rental window includes setup, deliveries, cleanup and removal of your belongings and equipment. Return the venue to the same clean condition in which you received it, and return all chairs and tables to their original or designated locations, one hour before the scheduled end time stated in your contract. Rental equipment must be removed immediately following your event, and all loading and unloading must take place within your agreed access window. For Friday–Sunday morning rentals, the venue must be vacated, cleaned and restored by 8 a.m. Sunday. The contract provides a minimum $1,000 charge plus $250 per hour for late checkout and staff cleaning. Sunday–Monday checkout is 10 a.m. Monday; the contract provides a $100-per-hour late-departure charge. Charges are deducted from the damage deposit first, with any excess owed by the renter.

Trash and waste

Place event and restroom trash in tied, non-overfilled garbage bags in the designated dump trailer. Flatten all boxes and remove all litter from the grounds, including biodegradable materials. Caterers and vendors must remove their own trash, food and kitchen waste and may not use the venue's garbage facilities for that waste.

Decorations and flame restrictions

Obtain approval before rearranging venue furnishings in The Ranch House. Do not use nails, screws, staples, other penetrating items, tape or glue on buildings, structures or the arbor. Do not throw or scatter glitter, plastic or fabric petals, foil, confetti, rice or similar small materials. Candles, sparklers and open flames are prohibited; LED candles are allowed. Fireworks and pyrotechnic devices are prohibited throughout the property. Fire pits are not permitted.

Winter

Salt and snowmelt products are prohibited because they can damage the barn floors, patios and Ranch House floors. The Cattle Barn will supply sand upon request. Winter conditions may include snow and ice; renters are responsible for planning for their own and their guests' safety. Damage caused by prohibited materials is charged to the renter.

Staffing and written services

Your rental is for use of the facility. Event staffing, assistance and event management are not included unless expressly agreed to in a written attachment to your contract. The renter is responsible for managing the event and coordinating guests, vendors, deliveries and collections. Venue staff may not be on site throughout the event. Additional services beyond the facility rental must be described in a written agreement signed by both parties and attached to the rental contract. Confirm your event arrangements in your signed agreement and any signed attachments.

Ownership

St. Eligius, LLC owns the ranch property and buildings. The Cattle Barn, LLC is a separate entity that operates the event facility. Nancy is the owner and manager of The Cattle Barn, LLC operations.

Conduct

The venue is drug-free. Smoking is permitted only at the designated smoking area and is prohibited inside the barn and associated buildings. Renters and guests must behave considerately. Under the contract, management may end the rental and remove guests for disorderly conduct, disparaging remarks or physical violence, without refund of event charges or the damage deposit. Keep people out of landscaped areas and direct children's play to grass areas.

Cameras and personal belongings

The facilities are protected by recording video cameras. Venue representatives may enter the premises during your event. Please arrange for your belongings to be collected before departure. The Cattle Barn does not accept responsibility for personal effects or possessions left on the premises during or after an event.

Contract provisions

The Cattle Barn is a working cattle and horse ranch with associated risks. The rental contract contains provisions addressing responsibility for guests, liability, indemnification, damage, collection costs and contract enforcement, including attorney fees and costs. Please review the complete agreement before signing.
